Dear Youngy and Friends,

Received a card from Auguste with the following words: "Dear Brother, you will be surprised to receive mail from me. I want to tell you that our brother Bill Kroll is living in Australia. He asked for me and I have his papers in my hands". Regards etc. Auguste."

Dear Youngy, please be so kind and tell me more. You can imagine that I took this news a little skeptical and ~~also~~ happily and can hardly believe it.

~~It~~ It seems strange to me that Auguste put her return address and never mentioned Paul. Did anything happen? Please let me know immediately. Everything is the same here. We are well and happy and hope you are the same.

Regards from Bert and Egon

Your Fritz

Regards to Grandma + Grandpa and all friends.
